# WE HAVE EMBRACED THE FUTURE

I think we will look back on 2012 as the exciting year when SPH Foundation's *Embracing the Future* campaign projects came to fruition. As you will read in this issue of *The Spirit* newsletter, St. Paul's Hospital opened the Rawlco Radio Surgical Unit, Surgery 4B, in August following a year-long \$6.4 million renovation. Donations of \$1.975 million from the *Embracing the Future* campaign supported this new unit. The floor was named in honour of a \$1 million contribution to the *Embracing the Future* campaign by Gordon Rawlinson and Rawlco Radio.

I am also pleased to report that construction began in July on the \$1 million *Leslie and Irene Dubé Urology Centre of Health* at St. Paul's Hospital. This outpatient, education and research centre is the final component of the Urology Centre of Health here at St. Paul's Hospital. Opening is scheduled for December of this year.

Our \$1.4 million fund raising initiative to purchase and install Saskatchewan's only digital transmission electron microscope in the laboratory here at St. Paul's Hospital is proceeding very well. Your donations to this project will make a difference for many people facing a diagnosis of kidney, neurological or cardiac disease, and will support St. Paul's Hospital's position as Saskatchewan's premiere centre of renal care.

I continue to be inspired by the generous acts of philanthropy I witness every day here at St. Paul's Hospital, improving health care today and into the future. Support comes from all directions. Individuals touched by the caring hands of our Hospital staff want to say thank you and do so by generously giving to our Foundation. Staff and physicians already providing exceptional care to their patients also choose to give generously to our Foundation to improve services in the Hospital. Our corporate and business communities also see the important benefits of financially supporting St. Paul's Hospital.

*Have a wonderful fall and thank you for generously supporting SPH Foundation.*

*Bruce Acton, CFRE*  
*CEO, St. Paul's Hospital Foundation*

## 2012 SPH FOUNDATION BOARD OF DIRECTORS

*We thank retiring Board members Lisa Yuel, Barry Frank and Glenn Sinden for their years of commitment to St. Paul's Hospital Foundation.*

*We wish to welcome new SPH Foundation Board members Ken Horsman and Dr. Arne Paus-Jenssen.*

**Ken Horsman, B.A., B.Ed., M.Ed.** is President, HK Enterprises Ltd., Chair of the Public Employees Pension Plan and former Director of Educational Programs for the office of the Treaty Commissioner, Saskatoon, Saskatchewan.

**Dr. Arne Paus-Jenssen**, Professor Emeritus of economics at the University of Saskatchewan. He is now an arbitrator and an economic consultant.

**Back Row (l-r):** Katherine Daniels (SPH Board Chair), Linda Arnot, Jean Morrison (SPH President & CEO), Bruce Acton (SPH Foundation CEO), Dr. Judy Klassen, Sr. Ludvina Scheck, Melanie Hilkeiwich, Colleen Cameron-Bergan, Dr. Arne Paus-Jenssen, Barbara Berscheid, John Agioritis

**Seated (l-r):** Carol Young, Denise Frey, Mercedes Montgomery (SPH Foundation Board Chair), Ken Horsman

### CENTRE OF ATTENTION

#### Leslie and Irene Dubé Urology Centre of Health

#### Improving the Patient Experience

The establishment of the *Leslie and Irene Dubé Urology Centre of Health* at St. Paul's Hospital is a wonderful gift for the many patients and families facing serious urological challenges, and a big step forward toward involving patients in the way their health care is delivered.

The *Leslie and Irene Dubé Urology Centre of Health* on the main floor at St. Paul's Hospital saw the start of construction late July. With a primary focus on prostate cancer patients, the Centre will serve as a meeting place where professionals can help patients make very challenging decisions. The Centre will incorporate a resource area, research space, consult rooms and an examination room.

*"This recognizable single Centre will serve as a valuable resource for men and their families wanting to learn more about prostate cancer and possible treatment options, along with access to support after cancer treatment."* – Dr. Kishore Visvanathan, Division Head of Urology, Saskatoon Health Region

A urology resource initiative already underway throughout 2011 has been that of Nurse Navigator Nicole Baba (see *The Spirit*, September 2011, page 3). In her role as advocate for patients and their families, the Nurse Navigator offers education, information, personalized treatment planning and decision support, and facilitates interactions with other health care providers.

As a urologist serving for the past 20 years in Saskatoon, Dr. Kishore Visvanathan is very excited about the way we are moving forward in delivering patient care. "A lot of our recent improvements and initiatives have supported a single focus – the patient's experience. From

expanding patient involvement in initial decision-making, to support throughout the system for better multidisciplinary care – we are constantly asking what we can do to improve the journey," says Dr. Visvanathan.

Renovation and reconstruction are now complete for Rawlco Radio Surgical Unit - Surgery 4B at St. Paul's, a component of the *Leslie and Irene Dubé Urology Centre of Health*. St. Paul's Hospital Foundation allocated \$1.975 million of *Embracing the Future* campaign funds to support this unit development.

The transformation of this 18-bed unit will increase capacity at St. Paul's Hospital to allow for additional urology, plastics and ear, nose and throat inpatient surgery. Patients recovering after prostate and other urological surgeries will be cared for on this unit in state-of-the-art private rooms. The design is based upon current standards for infection control and includes advanced technology to support patient safety and improved communication processes.

A passionate advocate for patients and their health care experience, Dr. Visvanathan anticipates a huge impact to result from the surgical unit renovations. "Having single, private patient rooms equipped with the best in technology will make a big difference in their stay and potential outcome," says Dr. Visvanathan. "Privacy will not only help the patient with rest and recovery, but also will ensure confidentiality in medical discussions and enable procedures to take place at the bedside if necessary. There will also be more room for family to remain and provide support, which leads to a better stay and quicker recovery."

# SPHF FOUNDATION DRAWS

## Congratulations to SPH Foundation Draws Winners

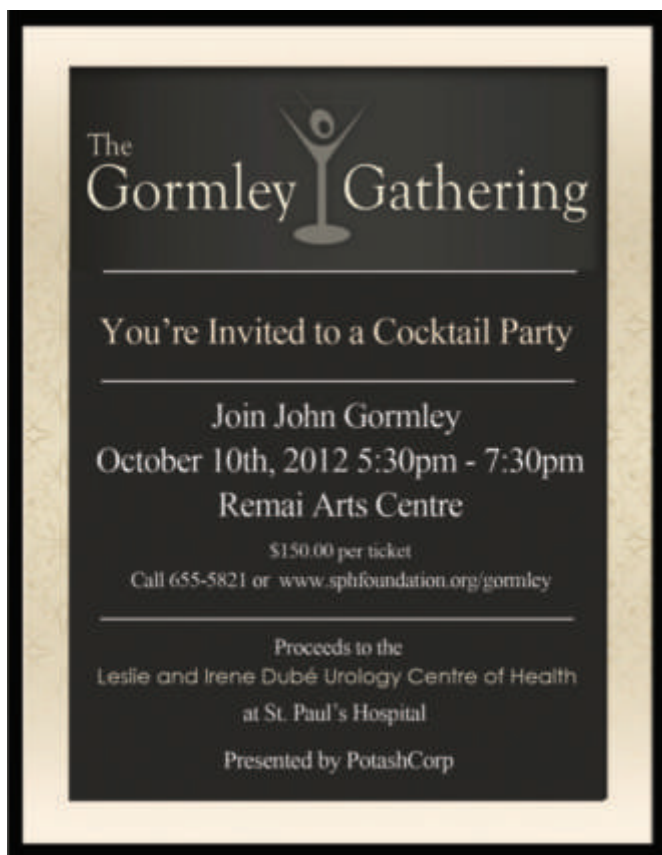

(l-r) Mercedes Montgomery (SPHF Board Chair), Melanie Hilkewich (SPHF Board Director, and Diagnostic Imaging, SPH), Sandra Grismer (SPHF Director of Operations)

On June 20, \$100,000 in SPH Foundation Draws took place from funding applications submitted by various departments at St. Paul's Hospital. Purchases funded will benefit St. Paul's patients, families and employees by providing departments and services with equipment, furnishings and programs for which there are no alternate funding sources.

Successful draw items include the following: waiting room chairs, portable bed alarms, ICU patient room TVs, a pharmacy refrigerator for the Progressive Care Unit, an HD monitor for the Operating Room and geriatric recliners for the 7th floor Medicine and Surgical Unit.

***Draws funding is possible thanks to the generosity of our donors.***

## RAWLCO RADIO EVENTS IN SUPPORT OF Leslie and Irene Dubé Urology Centre of Health

## STAFF SUPPORT

As Director of Mission, on staff at St. Paul's Hospital for the past 12 years, Brian Zimmer is familiar with the many needs throughout the Hospital and was motivated to give back.

"I know that while there is a need for many items, big equipment as well as many smaller projects, there is not enough funding available from the government," says Brian.

*"Grateful for my health, the wonderful people I work with and the compassionate care my own family members have received here at St. Paul's, I support the funding of these projects through the Foundation." – Brian Zimmer*

An additional motivator for Brian Zimmer is the holistic approach to care provided through our Hospital. "I am constantly reminded why I love being part of the St. Paul's family when patients tell me how thankful they are for having been treated with compassion by our staff," says Brian.

Brian chooses to donate through payroll deduction because of what he describes as "the ease of commitment."

***For more information on employee giving options call Manager of Annual Giving Colleen McKay at 655-5835.***

(l-r) Bruce Acton, SPHF CEO; Shack & Whitney, Rock102; Rhonda Speiss, PotashCorp; Watson, Rock102

**St. Paul's Hospital Foundation** would like to thank PotashCorp for their **\$10,000 donation** to the Rock102 Caged for the Cure radio marathon in support of the **Leslie and Irene Dubé Urology Centre of Health** at St. Paul's Hospital.

**St. Paul's Hospital Foundation** would like to thank Saskatoon Mogathon – the June 23 family walk/run event – for including St. Paul's as one of the charities to benefit from their monies raised.

# COMFORT AND CARING

Donors responded to our funding request to provide enhanced hemodialysis chairs that will offer greater comfort and a better standard of care during lengthy treatment sessions for our many dialysis patients.

Thank you to the many donors who generously gave to support this initiative, including the following donors who designated donations of the amount required to purchase individual chairs:

Associated Canadian Travellers  
(A.C.T.)

Neil & Verna Buechler & family

Kevin Clackson & Kari Fox

Goldy & Una DeWitt

Foresters (Hub City Branch #1289)

Gerald Leidl

Les Souers de Notre Dame de LaCroix

Finlay & Faye MacKenzie

Janet & Art Postle (2 chairs)

Tom Smith (2 chairs)

## A.C.T.

The Associated Canadian Travellers (A.C.T.) generously donated \$5,000 toward the purchase of a hemodialysis chair for the Renal Unit at St. Paul's Hospital.

(l-r) Bob Simon, Bruce Acton (SPHF CEO), Carl Comgram

## FORESTERS

On behalf of the **Foresters Hub City Branch #1289**, and local president Irene Porter, a cheque for \$5,300 was presented to the SPH Foundation by Dave and Elva Taylor to purchase a hemodialysis chair for St. Paul's Renal Unit. Dave and Elva are also generous volunteers with SPH Foundation.

(l-r) Bruce Acton (SPHF CEO), Elva Taylor, Dave Taylor

# Thank You

## Driving Fore Prostate Charity Golf Classic

Over \$65,000 was raised through the Driving Fore Prostate Charity Golf Classic to purchase specialized equipment used in diagnosing bladder and prostate conditions for St. Paul's Hospital Leslie and Irene Dubé Urology Centre of Health.

Special thanks to the steering committee led by co-chairs Joe LaPointe and Lillian Denton and title sponsors SIGA and the Saskatoon Blades, along with the many sponsors and generous prize donors who contributed to the success of this event.

### *SPECIAL RECOGNITION OPPORTUNITIES – TREE OF LIFE*

Across from the Test Centre on the main floor of St. Paul's Hospital, a wall is adorned with glistening leaves etched with names of donors, honoured individuals and those to be recognized in memoriam. Please take time to view these names of individuals and businesses who share St. Paul's legacy of compassionate care. Leaves for the "Tree Of Life" may be acquired with a \$2,500 donation.

***For more information or to dedicate a leaf, call Manager of Annual Giving Colleen McKay at 655-5835.***

### *SPHF PROFESSIONAL ADVISORS SEMINAR 2012*

A well-attended St. Paul's Hospital Foundation Professional Advisors Seminar was held at the Willows Golf and Country Club on March 14. The keynote address was "Owning U.S. Property: Do You Want Uncle Sam As Much As He Wants You?" Guest speakers included Kelly Lutz of Virtus Group LLP, Sally Lewis of TD Waterhouse and Crystal Taylor, Partner, Miller, Thomson LLP.

## Behind the Curtain: St. Paul's Hospital Donor Tours

**October 17th - 7pm**  
**Diagnostic Imaging & Nuclear Medicine**  
**To secure tour spot call: 655-5821**

Your unique opportunity to tour SPH units with information and discussion led by department specialists.

## SPIRIT OF LIFE

Jean Shirley

When a friend suggested she volunteer at St. Paul's Hospital Foundation, little did Jean Shirley know that 25 years later she would still be with the Foundation and that this role would impact her life.

With over 60 years of office experience, Jean Shirley was a natural fit for helping with administrative work at the Foundation. "I wanted to assist with necessary but time-consuming projects so that the Foundation staff could focus on other parts of their jobs," says Jean. "I soon realized the extent of what was involved to raise money for the Hospital!"

"Volunteering also opened up my eyes to the generosity of many individuals in our community. I would recognize repeat donors and knew they were giving the best they could," says Jean. "Their generosity also inspired me to give."

Jean's husband, Lorne, was cared for in St. Paul's Hospital Palliative Care Unit. The compassionate care he received was another motivator in Jean Shirley's decision to include St. Paul's Hospital in her Will. "I wanted to leave our legacy with a worthy

organization. St. Paul's provides good care to so many," says Jean.

*Thank you, Jean Shirley, for your foresight and generosity.*

*Leaving a gift to St. Paul's Hospital through a provision in your estate or life insurance or in some other manner helps St. Paul's meet the health care needs of tomorrow for our own community and beyond.*

**For more information on Legacy Giving please contact Manager of Major Giving Cass Cozens at 655-5829.**

## TRIBUTE GIVING

*Recognizes special people or events by making a gift in their honour*

**Tributes made January 1, 2012 – June 30, 2012 honouring the following:**

**Dr. Hal Baldwin • Dr. James Barton • Mr. Terry Bergan and Mrs. Colleen Cameron-Bergan  
Dr. Richard Bigsby, Dr. M. James and ICU staff • Dr. Michael Harington • 5th Surgery • Bob Piercy  
Touch of Ukraine • Dr. Brian Ulmer and 5th floor staff • Dr. Kishore Visvanathan**

Make gifting benefit others by donating to St. Paul's Hospital Foundation in recognition of someone special. We will inform the person you would like to recognize and you will also receive the tax benefits.  
**For more information call Manager of Annual Giving Colleen McKay at (306) 655-5835.**

# AS A GRANDPARENT, TIME MEANS EVERYTHING.

## ...SHE'S BEEN WAITING MONTHS FOR A DIAGNOSIS.

**WE CAN DO BETTER.** Having a new digital electron microscope for the province at St. Paul's Hospital could provide those results in just one week. Help us raise \$1.4 million to bring this equipment home to advance diagnoses for kidney, cardiac and neurological illnesses.

Donate at [sphfoundation.org](http://sphfoundation.org) or call **655-5821** or Toll Free: **1-888-345-0330**

## HOUSE CALLS

Drs. Rajni and Ravi Chibbar welcomed colleagues to their home July 21 with an evening dinner and gathering in support of the Foundation's initiative to acquire a digital transmission electron microscope (EM) to serve the people of Saskatchewan.

Dr. Joseph Blondeau and Dr. Joanne Kappel lent their support by speaking to the opportunity to

house Saskatchewan's first digital transmission electron microscope at St. Paul's Hospital.

Benefits discussed included dramatically advancing diagnoses for patients waiting on biopsy results for kidney, cardiac and neurological illnesses enabling images to be transferable via computer to other health professionals and serving as a

valuable teaching and research tool to help in attracting and retaining physicians for our Region.

*Thank you to all who have already generously donated to the EM fund raising initiative. We are well on the way to realizing a digital transmission electron microscope for our province!*

## SPH FOUNDATION OPEN HOUSE

St. Paul's Hospital Foundation held its annual Open House March 22. It was an occasion for SPH staff to become better acquainted with Foundation employees and to find out more about projects underway in support of the Hospital.

As part of the Open House, all staff and physicians who made a donation to the Foundation between March 22 and May 31 had their names entered into a draw for two tickets to any Jazz Festival performance in the Bessborough Gardens and a \$75 gift certificate

from the Garden Café in the Delta Bessborough. Congratulations to Dr. Roy Chernoff on winning the prize package! Special thanks to the SaskTel Saskatchewan Jazz Festival and the Delta Bessborough for the prize package donation.

### UPCOMING EVENTS

**October 10**

*News Talk 650 CKOM Gormley Gathering Reception* in support of the SPH Leslie and Irene Dubé Urology Centre of Health – for ticket information call 655-5821

**October 16**

*SPH Feast Day* for St. Marguerite d'Youville and SPH Foundation Awards

**October 17**

*Behind the Curtain SPH Donor Tour*

**November 17**

*SPHF Mistletoe Charity Ball*, presented by PotashCorp

### FUND RAISING SUCCESS

**St. Paul's Foundation Christmas 2011 direct mail letter** was successful in raising funds for a plasmapheresis machine in the Hemodialysis Unit at St. Paul's Hospital. This valuable equipment is used post-transplant and for chronic kidney disease patients.

**2011 Fall Hospital Home Lottery proceeds** funded an endobronchial ultrasound (EBUS) for St. Paul's Hospital, providing advanced patient

diagnosis and cancer staging for chest conditions to offer our physicians less invasive ultrasound access to lymph nodes in areas previously inaccessible.

### NEW FACES AT SPHF

#### **Carrie Church, Administrative Assistant**

Carrie joined the Foundation in March 2012 with 17 years of experience in executive administration, board governance, finances, communications and human resources. She is committed to embracing the mission, vision and values of the Foundation and the Hospital while excelling in her role. Carrie is the very proud mom of three young sons.

#### **Lecina Hicke, B.A., Major Gifts Officer**

Lecina recently joined SPH Foundation in April 2012. She previously was employed by Luther College High School in Regina as the manager of alumni relations, development and communications. Lecina studied English at the University of Regina, and relocated to Saskatoon when her husband, a member of the RCMP, accepted a posting here.

#### **Colleen McKay, B.Comm., M.B.A., Manager of Annual Giving**

Colleen joined the staff of SPH Foundation in February 2012, covering Shannon Harnett's maternity leave. She has worked for more than 25 years in the areas of marketing, event management, communications and fund raising. The majority of Colleen's work life was spent at the U of S, where she was the advancement research analyst working in prospect and market research and then the communications and data manager for the College of Education.

Colleen has been an active member of the University of Saskatchewan Ballroom Dancing Club, volunteers with several organizations and enjoys many hobbies and spending time with her family.
