YOU ARE INVITED TO BE A PART OF [The 2nd Annual Graham Nicholson Memorial Golf Tournament](#)

In January 2022, Graham Nicholson, husband to Tannis Nicholson and father to Austin Nicholson, 17 and Chelsea Nicholson, 13, was diagnosed with Glioblastoma, an aggressive type of brain cancer.

Graham worked for over 2 decades as a general manager in sporting goods retail in Saskatoon. He was a dedicated and loyal employee who worked hard to provide for his family. He also cared a great deal for those that both worked for him, and with him. He truly valued the many friendships he made along the way.

Graham was a family man. He was a devoted husband and doting father who loved his family “to the moon and back”. He was kind, caring and compassionate but was also incredibly humble and unassuming in his accomplishments.

When it was clear that Graham’s diagnosis was terminal, every effort was made to ensure his final days were to both peaceful and comfortable. The Hospice at Glengarda offered that peace-of-mind in a modern and conducive environment for end-of life care.

On April 15, 2022, Graham Nicholson lost his battle with Glioblastoma. While his journey came to an end his family vowed to have his memory and legacy live on.

Graham loved to spend his summers golfing, so in that spirit, came the idea to host [The Graham Nicholson Memorial Golf Tournament](#).

[The Graham Nicholson Memorial Golf Tournament](#) will raise funds for the Comfort Care Fund of The Hospice at Glengarda, Saskatchewan’s first free-standing residential Hospice located in Saskatoon, Saskatchewan on Treaty Six territory and the traditional homeland of the Métis.

The Comfort Care Fund at the Hospice at Glengarda allows the hospice team to continue to support the patients and families that they serve. Donations are utilized for patients’ requests such as the purchase of special food items, gardening supplies, games, technology, art supplies, musical instruments, seasonal décor, and artwork to personalize patient rooms and common areas. Donations are also utilized for many meaningful projects and items, including creative materials used for legacy projects like memory boxes. The experiences that the Team are able to support for patients and families thanks to the Comfort Care Fund are truly priceless; the Foundation is truly grateful to all those whose generosity supports these important elements of holistic care.

The first annual Graham Nicholson Memorial Golf Tournament netted an astounding \$50,644.50 in support of the Hospice at Glengarda, thanks to the outstanding efforts of the Volunteer Committee and the generous contributions of sponsors and participants. The tournament honoured the late Graham Nicholson, a dedicated husband and father who held golf as one of his great passions.

We are very grateful to Graham's wife Tannis, brother-in-law Tyler, and the entire Volunteer Committee for their tireless work to organize the tournament and help spread awareness about the value of end-of-life care. Tournament

proceeds support the Hospice at Glengarda Comfort Care Fund. This important fund complements the already home-like environment of the Hospice, ensuring patients, family and staff have access to items that might bring them comfort during their stay.
