Emmanuel Health is seeking a new **Executive Director** for St. Paul's Hospital in Saskatoon, SK. This role offers a distinctive opportunity to lead a forward-thinking organization deeply dedicated to community service.

St. Paul's Hospital

St. Paul's Hospital, a renowned teaching hospital, has a long history of providing compassionate and holistic education and care to the people of Saskatoon and Saskatchewan. Its dedication to innovation and nurturing future healthcare professionals is a source of hope and optimism. As one of the region's oldest and most innovative hospitals, SPH offers a unique range of programs and services. It is not just a place of healing but a vital part of the community, actively engaging with local organizations, faith groups, and residents to foster a strong, healthy, and supportive environment for all. The hospital's unwavering commitment to excellence is reflected in its ability to adapt to changing healthcare needs, ensuring that it remains at the forefront of the field. THE ROLE:

As the **Executive Director** of SPH, you will report directly to the CEO of Emmanuel Health and oversee the overall management of SPH and its services and programs. In every aspect of your operations, you will be guided by the hospital's mission and values of **Respect for All, Collaborative Partnerships, Compassionate Care, Holistic Care, and Stewardship.**

With a clear mandate to lead change and deliver excellence in healthcare services, you will play a key role in Emmanuel Health's broader initiatives. In addition to overseeing the hospital's overall operations, team leadership, and fiscal accountability, you will collaborate with the other Emmanuel Health facilities and St. Paul's Hospital Foundation, building and nurturing relationships that enhance the hospital's impact and strategic goals. Actively engaging with the surrounding community and partnerships with SHA, the provincial government, and other community partners will ensure the hospital remains a cornerstone of the region's health, hope, and compassion. This role requires a commitment to upholding the principles of the Health Ethics Guide, which the Canadian Conference of Catholic Bishops endorsed.

IDEAL PERSON:

As a community-minded individual who understands the hospital's unique role in the community, deeply understands Catholic healthcare values, and is committed to leading with compassion, respect, and a strong sense of community engagement. You will bring a post-secondary degree and a successful operational and leadership executive background. Experienced with government relations and community partnerships, you will bring a collaborative and value-driven approach, demonstrating a strong ability to work with the vulnerable sector and the communities you serve.

St. Paul's Hospital offers a comprehensive compensation package and a positive, collaborative, and community-minded culture. You will have a direct impact on your role and see the direct outcomes of your leadership and initiatives within the hospital and the community.
