

Thank you for planting the Seeds of Hope!

I'm so thankful to each and every person who has contributed to making healthcare history in Saskatchewan by making a donation in support of the da Vinci Surgical Robot. You have given to patients the remarkable gift of less invasive surgeries, reduced pain, shorter hospital visits and faster recovery times. All of these combined positive outcomes will serve to further reduce the surgical waiting times that are a result of the COVID-19 pandemic.

I would like to extend my sincere gratitude and appreciation to the Merlis Belsher Family who generously matched your gifts up to \$100,000 to ensure the purchase of this life saving equipment!

Thank you so much to all who have supported the da Vinci Surgical Robot! You have made a difference for patients and their families in Saskatchewan.

Sincerely,

Dr. Varun Bathini
