**PARTNERS IN EXCELLENCE
APPLICATION FORM (2022-2025)**

If you are a St. Paul's Hospital physician or employee with a great idea to improve patient care at St. Paul's Hospital, we want to know about it. Each year, St. Paul's Hospital Foundation sources new ideas for fund raising projects for our Hospital. We have found that the most successful projects are when Hospital employees and physicians suggest visionary projects that significantly and positively impact patient care. SPH Foundation will review your great idea and determine if it qualifies as a fund raising project. Simply complete this Partners In Excellence application form and submit it by the application deadline. We operate on a 3-year fundraising plan and are currently accepting proposals for 2022-2025.
